

Hungry Caterpillar

Caterpillar Supplies

- 5 strips of green construction paper (or other colours)
- 1 construction paper circle
- 2 googly eyes
- 1 pipe cleaner
- Glue, tape, or staples
- markers

Caterpillar Instructions

1. take one strip of paper and attach the ends together to form a loop
2. take another strip of paper, link it through the existing loop and attach ends
3. repeat step 2 until all the strip of paper have formed a 5 link chain
4. take your circle and poke two holes at the top of the caterpillar head with the pipe cleaner
5. slide the pipe cleaner into the two holes to make antennae
6. add googly eyes to circle underneath the antennae
7. add a smile with marker
8. attach the head to the paper chain
