

Paper Lantern

Supplies:

Lantern template

Coloured tissue paper

Glue

Scissors

Step 1 Cut the lantern pattern out.

Step 2 Cut out the flame and the base on each side.

Step 3 Put glue on the inside around the openings for the flames and bases.

Step 4 Place the pieces of tissue over the openings on the inside. Let dry.

Step 5 Fold the lantern on the black lines.

Step 6 Put glue along the tab on the side of the lantern and place the tab inside the other side of the lantern. (Lantern should be a triangle shape)

Step 7 Glue and fold the tabs on the bottom in, to form the bottom of the lantern.

CAUTION: Do not use real tea lights. Battery operated tea lights are available at Dollar Stores.
