

# Rainbow Fish

## Supplies

- Cardstock or other heavy weighted paper
- Aluminum foil
- Blue construction paper
- Sequins
- Googly eye sticker
- Red, orange, or yellow construction paper
- Glue stick or liquid glue

## Instructions

1. Cut a circle out of the card stock
2. Wrap a layer of tin foil around the card stock circle making sure one side is smooth enough to glue sequins on top
3. Cut out a dorsal fin, pectoral fin and tail fin from the blue construction paper
4. Glue the fins onto the back of your rainbow fish
5. Stick the eye sticker onto the rainbow fish
6. Cut out and glue the lips onto the rainbow fish
7. Glue on multi-coloured sequins to the fish body
