

Chicken Craft

Supplies

- Yellow cardstock for body
- Yellow construction paper for wings
- Orange construction paper strips for legs
- Orange construction paper for feet, beak, and head 'feathers'
- Googly eye stickers
- Scissors
- Tape
- Glue stick

Instructions

1. Cut out chicken feet and head 'feathers' if not done so already
2. Shape the cardstock into a cone shape and tape to hold together
3. Tape or glue on the wings
4. Tape or glue on the beak
5. Tape or glue on the head 'feathers'
6. Stick on the googly eye stickers
7. Accordion fold the orange strips to create chicken legs
8. Tape or glue on the chicken legs to the body
9. Tape or glue the chicken feet onto the ends of the legs
