

# Butterfly Craft

## Supplies

- Construction paper – any colour
- Toilet paper tube
- 1 pipe cleaner
- Googly eyes
- Markers, crayons, and stickers to decorate
- Glue stick
- Scissors
- Tape

## Instructions

1. Cut out butterfly wings (if not done already)
2. Decorate wings with markers, crayons, and stickers
3. Use the glue stick to glue the wings to the toilet paper tube
4. Stick on googly eyes and draw a smile
5. Bend the pipe cleaner in half and tape to the back of the toilet paper tube to create antennae
6. Curl the tips of the antennae
