

Firefighter Helmet Craft

Firefighter Helmet Supplies

- Red construction paper or other heavy weight paper
- Yellow construction paper
- Port Alberni Fire Department logo
- Glue stick
- Scissors

Firefighter Helmet Instructions

1. Cut out the shape of the firefighter helmet using the template (if not done already) and set aside
2. Carefully cut out the PAFD logo (if not done already) and glue it onto the middle of the yellow construction paper
3. Following the shape of the PAFD logo cut the yellow construction paper to make a border around the logo approximately 5mm in width
4. Glue the completed logo to the inner flap of the red construction paper helmet
5. Fold and crease the inner flap of the helmet up and wear!
