

Paper Plate Clock

Whether you are teaching your children to tell the time or just want a great craft activity, a paper plate clock is an excellent way to get talking about time as you make one.

What you need:

1. Paper Plates
2. Paper Fasteners
3. Pen's or crayons
4. Card
5. Paper numbers (for younger children)
6. Scissors

How to make:

1. Cut out the hands from contrasting card, making one longer than the other for the minute hand.
 2. Print minutes on the long one and hours on the shorter one.
 3. Place the numbers round the clock, this is easier if you do the 12, 3, 6 and 9 first.
 4. Make a small hole in the center of the plate for the hands and use the split pin to secure
- Decorate the paper plate clock by adding stickers or colouring with crayons.

Kits available at Echo Centre.
