

# Triceratops Mask

## Supplies

- Half a paper plate painted or coloured green
- Yellow construction paper
- Blue or brown construction paper
- Scissors
- Glue stick
- Popsicle stick and popsicle stick
- Black marker

## Instructions

1. Cut paper plate in half and colour or paint green
2. Cut 'waves' into the outside round of the paper plate to form the head of the triceratops
3. Cut out eye holes if you wish to wear as a mask
4. Cut 2 large horns and 1 small horn out of the yellow construction paper
5. Cut out a dinosaur nose out of the blue construction paper
6. Glue horns and nose onto the dinosaur head
7. Draw on dinosaur nostrils using the black marker
8. Flip the mask over and tape on the popsicle stick
9. Wear your triceratops mask!
