

# Crab Craft

## Supplies:

- Egg carton cut and painted red
- Red pipe cleaner
- 2 googly eyes
- Black marker
- Hole puncher or an adult with scissors

## Instructions:

1. Cut and paint the egg carton to create the shell
2. Hole punch 4 holes on either side of the body for the legs and claws to go
3. Cut the red pipe cleaner into 8 equal sections
4. Bend the 2 pipe cleaners to look like crab claws and twist them into the front two holes on the crab
5. Attach the other 6 legs in the remaining holes
6. Stick on your googly eye stickers or glue on classic googly eyes
7. Draw on a mouth with the black marker
