

Moose Antler Headband

Supplies

- Brown construction paper
- 3 ply card stock head band
- 2 wooden coffee stir sticks
- Stapler
- Tape

Instructions

1. Cut out antlers if not done so already
2. Wrap the cardstock around the child's head to size correctly, remove from child's head and staple loop closed to form the head band
3. Tape the antlers onto the inside of the head band. Make sure the staples are towards the back of the child's head so that the staples do not scratch their face
4. Tape each stir stick to the back of the antlers to ensure that the antlers stand straight up
5. Wear!
