

Whale Craft

Supplies

- Paper cup painted blue
- 1 white pipe cleaner
- 1 light blue pipe cleaner
- Light blue heavy weight or construction paper
- 2 googly eye stickers
- Black marker
- Scissors
- Tape

Instructions

1. Ask an adult to carefully poke a hole in the bottom of your cup for the pipe cleaners
2. Fold each pipe cleaner in half and twist the pipe cleaners to make it look like the spray from a whale
3. Flip the cup over and put the pipe cleaners into the hole
4. Cut a tail fin out of the light blue heavy weight paper and bend gently to create a slight upwards tail
5. Cut two small squares and fold in half diagonally to form fins
6. Tape the tail and the fins to the cup
7. Stick on the eye stickers
8. Draw a silly face
