By entering projects in the heritage fair program and signing below parents/guardians are considered to have provided consent for:

- Students, projects and materials will be photographed and referred to in Heritage Fair promotions, publications and websites both locally and provincially and possible use by local and provincial Award Sponsors in their promotions and publications. Parents/Guardians **not** wishing to have their children and projects photographed and/or named in such materials must make their request in writing to the local Fair organizers.
- **This will be a zoom based fair – you will receive information regarding session times, access and login information. It will include a project presentation time and times for workshops and activities. Students will present their projects to three sets of judges. Students must be present and if they are presenting a video or power point will need to have someone to assist them if they need help with technology.**

Parent/Guardian signature: _____
